How to Create Assignments

To add assignments:

1. Log into Canvas and browse to the course in which you would like to create an assignment.
2. On the left, click Assignments.

3. Click the +Assignment button. This will take you to the assignment editor.

4. Add a description or other instructions in the editor. Modify other attributes of the assignment as needed. (For example: Points, Display Grade As, etc.)
5. For Submission Type, choose External Tool.

6. Click on "External Tool URL"
