

## INDIAN TRAIL INTERMEDIATE SCHOOL BAND

Keila Brady Tidwell, Band Director

bradyk@jcschools.org (423) 610-6000

# Band Info Night/ Instrument Fitting

**You must register to attend  
one of our meetings to  
participate in band!!!**

A brief introduction to the program and instructions for the fitting will be given at the opening of our meeting. Music Doctors will present a rental program while students complete the instrument fitting process. It is very important for each student to begin on an instrument that will give them the most amount of success at the start of their instrumental experience—we advise they try at least three instruments. After the screening, the director will assist the student and parent on making an instrument selection.

**TUESDAY, APRIL 30TH &  
THURSDAY, MAY 2ND:**

**6:00 TO 7:20 P.M.**

**7:25 TO 8:45 P.M.**

**Info Meetings will be in  
the band room at  
Science Hill**

**\*First building at Science  
Hill off of  
John Exum Parkway**

- **You MUST register to attend one of our band info meetings to participate in band 2019-2020!!!**
- **Register on the band website: <http://indiantrailband.weebly.com>**
- **Be sure to arrive on time in order to receive all of the information on fitting and rentals.**
- **Music Doctors will present their rental program — rent on the spot!**

Instruments to choose from for fitting include: flute, clarinet, trumpet, trombone and baritone. Horn, tuba, saxophone and percussion instruction will begin in the 6<sup>th</sup> grade – students wishing to play those instruments will be selected from 2019 - 2020 5<sup>th</sup> grade band students participating in the program.

We will again be hosting a Beginners Band Camp: June 10th through 14<sup>th</sup>. Students will have classes each day covering technique, assembly, maintenance, etc. We ask that all beginner students in town make an effort to be present each day. Students must obtain their instrument prior to camp.
