

Student Access to **myON**

Students in Johnson City Schools have access to myON which is an online learning platform with digital reading content. Our student login procedures have changed significantly since last year. We are using a third party called Clever that allows our student management system to share login information with myON. This streamlines the login process for students. See directions for logging into myON using Clever below:

1. Go to [www.clever.com](https://clever.com)
2. Select LOG IN AS STUDENT
3. Type in name of school. Select correct school when the list populates.
4. Click LOG IN WITH ACTIVE DIRECTORY
5. Enter USERNAME and PASSWORD and click LOG IN
 - a. USERNAME is student's first name and student number
 - b. PASSWORD is student's date of birth in the format: mm/dd/yyyy
6. Choose myON from Instant Login Applications
7. Student's myON dashboard should be visible. Happy Reading!!

The screenshots illustrate the following steps:

1. Accessing <https://clever.com> and clicking "Log in as a student".
2. Searching for the school "Cherokee" in the dropdown menu.
3. Selecting "Log in with Active Directory" on the Johnson City School District page.
4. Entering the username "kendra12345" and password "DOB (mm/dd/yyyy)" in the authentication dialog.
5. Selecting the "myON" application from the "Instant Login Applications" list.
6. Viewing the myON dashboard, which includes a "Reader meter" and "Time spent reading" statistics.
