

STRIVE FOR LESS THAN FIVE, WOODLAND!

Important Reminders

- All students need to have 5 or less unexcused absences for the school year.
- All students that exceed 10% missed school days are considered chronically absent as defined by The Tennessee Department of Education.
- This can negatively affect our district and school accountability.

Please Remember

If you have an appointment of any kind, please make sure your student returns to school in a timely manner.

Thank you!
