

Our Woodland Connections ~ March 6, 2019

Hello, Woodland Families!

Can you believe it? School will be closed next week for Spring Break – this year is moving so very quickly! We wish for each of you a wonderful holiday (with warmer temperatures of course) and safe travels wherever you may journey. ☺ Please remember to read with your student for at least 20 minutes each day if possible. *And please be sure to ask your student questions about: the story characters, what is happening in the story, etc.* It will also be helpful for your student to read aloud to you each week. **We know that Reading Fluency is SO very important.** *Easy idea ~ ask your student to select a certain page within his/her book. In turn, he or she may read that page or paragraph aloud to you several times throughout the week.* This help your student's reading to become smoother and more confident which is the goal of good fluency. By working together ~ our students will continue to grow and flourish.

As always, please contact us if you have questions at any time ~ 423.434.5267.
