

Our Woodland Connections ~ February 6, 2019

February Greetings, Woodland Families! We hope you are enjoying our warmer temperatures and are looking forward to spring - only 4 weeks until Spring Break! Wow - Quarter 3 is absolutely flying by! Stay well - and please reach out to us if we can support your student/s or family in any way. We have had several occurrences of strep throat, flu, colds, etc. during our most recent weeks. We are most hopeful that healthier days are ahead for all of us.

Please help join us in welcoming our newest Woodland Team Members ~ we appreciate these wonderful individuals so very much as they will be working with our students and teachers during this current semester.
