

Our Woodland Family Connections ~ April 24, 2019

Hello/Hello, Woodland Families! We certainly hope you are enjoying our beautiful sunshine and warmer temperatures as the month of May is quickly approaching! ☺

Thanks to everyone who supported our recent PTA Walk-a-thon/it was a HUGE success! I know our PTA Board is very excited to share our grand total with you very shortly! ☺

We are so thankful for your continued enthusiasm and partnership. Our students are SO very fortunate to have such amazing parents, guardians, and grandparents. We could not do our work without you ~ TY for everything!

Please remember to read, read, and read with your student or students at home each day ~ for at least 20 minutes. Additional reading minutes are always welcomed! ☺ This is very important as we continue to grow our reading comprehension and fluency. And with that shared, remember to ask your student to read aloud to you each day. Building that fluency piece is like lifting weights ~ it will make our reading comprehension stronger.

Family Survey ~ I would LOVE your input as we continue to plan for our forthcoming school year. Please return to us by May 10th if possible. An electronic link was forwarded through School Messenger on Monday (4/22). Please respond digitally if that is easier. I appreciate you!

As we Think Forward to May ~ our calendar dates of importance are included below. Whew~ we are going to be busy at Woodland! Please join us as your schedules allow.

With kindest regards,

Dr. Karen Reach

Woodland Elementary School Principal
