Math

We've been rounding whole numbers and decimals, making estimations, and adding and subtracting decimals. I'll also be sending home some helpful activities for students who need extra practice. Although these are optional, I encourage you to complete them. These skills are critical to your child's success. Next week, we'll begin mean, median, mode and range. This is a difficult math concept so please help your child with their math next week.

Science

Chapter 1 of Science is coming to a close. Get ready for a test early next week on cells, body systems, and bones, muscles, and nerves. I've been very impressed with the students' inquisitive minds! A guest speaker, Marty Silver will visit the 5th grade TOMORROW!

Language Arts

Spelling

Notes

Don't forget - If your child has a change in afternoon transportation, you **MUST** write a note to the teacher or call the office (434-5260).

- NO SCHOOL - Labor Day- Monday, September 1st. Enjoy your long weekend!
- Mid-terms will be sent home on Wednesday, September 10th.

Bring a new, white t-shirt for tie-dying

Please send in a new white t-shirt. We will be tie-dying t-shirts next week on Thursday. We would really appreciate some families sending in red or blue tie-dye as well. Tie-dye can be found at Wal-Mart in the craft section or Michaels is another good resource. If you buy a pack of t-shirts we could really use them for other students. We appreciate your generosity.

Thank you for sending in "Wish List" supplies at the beginning of the year. We could not do it without you! Please look for continuing "Wish Lists" as we run out during the school year. Current Wish List: Scissors, glue sticks,

Don't forget to check your child's Thursday work folder today and return it on Friday. Please have your child send in any corrected papers by Monday. You will find a signature sheet today. Please sign and return with their yellow Thursday folders.

Thank you for attending last week's PTA Open House.

If you continue to have questions about Camp Explore don't hesitate to email or call us with your concerns. We appreciate all your support. ~**Start saving money for Camp Explore - ONLY TWO WEEKS AWAY!! September 18th & 19th**

Have a great Labor Day weekend!
