

# LIBERTY BELL MUSIC ENSEMBLES

**Hello, Indian Trail students and parents!**

You are receiving this because the student in your home was previously enrolled in a performing music class at Indian Trail Intermediate School. We are working diligently to make sure all these musicians are able to reconnect with their specific programs as they move up to Liberty Bell next year. LBMS Music has safely maneuvered through the difficulties that the past year has thrown us, and are currently planning to offer the full and complete Band, Chorus, and Orchestra experiences next fall (SY 2021-22).

**Students who were involved in the music programs at Indian Trail as 5th graders during the winter/spring term of 2019-20 will automatically be enrolled in the same program as 7th graders at Liberty Bell in fall 2021-22.** There will not be any kind of audition or assessment in order to participate; we simply want to get these wonderful musicians back on the track they had originally chosen.

Below, and on the back of this document, you will find sections devoted to each of the music performing arts programs at LBMS. Websites/links are provided to make it easier for students and parents to receive and provide information relating to our programs.

We are thrilled to be able to provide a great musical experience for everyone who joined these programs back in 4th/5th grade. We look forward to working with you!

Dr. Holly Flora, Principal  
Liberty Bell Middle School

## **BAND**

*Kevin Howard, director*

Instrument rental nights will be set up so instruments can be reserved for next year. In addition, a summer Restart/Jumpstart camp will take place June 14-18.

Information about both of those opportunities will be sent to you after we receive your submission on the Google form linked below:

## CHORUS

*Emily Broadhead, director*

One of the best ways to make the transition to middle school is to be involved in a group. Students in the choral program talk about the “family” atmosphere in our classes...click the link below to join the family!

## ORCHESTRA

*Susan Lambert, director*

It is my plan for next year to have our normal orchestra activities such as concerts, competitions and trips. As your orchestra student begins at Liberty Bell Middle School let me share with you the things that Liberty Bell Patriot Orchestra will be doing. All of these activities are fun and exciting for your orchestra student as they continue to develop their musical skills.
